## Membership

As a result of receiving numerous inquiries from individuals about becoming members, the Latino Social Work Coalition is proud to state that it will now accept individuals interested in becoming individual members. As you may know we started as the Latino Social Work Task Force until it was incorporated in late 2014. We will continue to honor the membership of our current institutional members and their representatives so there is no need for them to join. We will have 2 major types of membership: Individual Members and Agency Institutional Members.

### Our Mission Objectives

The Latino Social Work Coalition and Scholarship Fund's mission is to increase the number of culturally and linguistically competent Latino social workers serving low income and underserved Latinos in New York City, by providing outreach, mentoring, education, training and financial support through collaboration with non-profit agencies, graduate schools of social work, health care facilities, unions, and allied mental health professionals, in pursuit of addressing the social needs of Latino communities in need.

The Latino Social Work Coalition and Scholarship Fund (LSWC) accomplishes its mission by providing:

- Outreach and information to potential students wishing to pursue Social Work studies
- Mentoring and counseling for students in need
- Graduate scholarships towards a Masters of Social Work
- Educational workshops in Social Work development, Health and Mental health engagement, Licensing preparation and improving academic retention and graduation of social work students through scholarship support
- Communication and collaboration with community based agency members regarding social work and its impact on the Latino and minority communities.

## Benefits of Membership

### Benefits include:

- Keeping abreast about the latest information about licensing of social workers in New York State with links to various important social work sites.
- 10% discounts to LSWC workshops, conferences, annual awards dinner and other functions as indicated.
- Periodic Email newsletters about what's happening in social work, employment opportunities, grants announcements, available community resources or conferences /workshop training outside of LSWC.
- Participation on various committees of the LSWC
- Special publications such as the Proceedings of Round Table.
